

# You Can Be Sure

## The D.O.T.

You don't have to be a dreamer  
To see a better day  
You have to be a believer  
Just to find a better way  
Don't sit in your seclusion, safely watching from afar  
I don't know why, ooh  
We don't learn from what's gone by  
You can be sure  
I'll be with you till the end  
You take my word  
More than this I can promise you, yeah, yeah  
You know, when you feel defenseless  
And it brings you to your knees  
Don't keep on retreating  
What can I do to make you see?  
I don't know why  
We don't learn from what's gone by  
You can be sure  
I'll be with you till the end  
You take my word  
More than this I can promise you, yeah  
I don't know why  
We don't learn from what's gone by  
You can be sure  
I'll be with you till the end  
You take my word  
More than this I can promise you  
You can be sure  
I'll be with you till the end  
Please take my word  
Don't you know, you can count on me?  
I will always be there for you
