

You're My World

[Glen Campbell](#)

You're my world you're every breath I take
You're my world you're every move I make

Other eyes see star up in the skies
But for me they shine within your eyes
As the trees reach for the sun above
So my arms reach out to you for love
With your hand resting in mine

I feel a power so divine
You're my world you are my night and day
You're my world you're every prayer I pray

If our love ceases to be
Then it's the end of my world for me
With your hand resting in mine

I feel a power so divine
You're my world you are my night and day
You're my world you're every prayer I pray

If our love ceases to be
Then it's the end of my world, end of my world, end of my world for me
