## The Dissidents

You just lay there with a smile on your face  
And a knife stuck between your eyes  
How do I get in these situations  
Gotta think of a convincing lie

I'm in damn deep trouble  
And I don't know what to do  
I'm in damn big trouble  
And I gotta get rid of you

I know they're not gonna let me go this time  
I got lucky too many times before  
Maybe I can make it look like suicide  
But that's too much of a messy chore

### Chorus

Now I'm all alone in this great big house  
And my wife is still on the floor  
Just put drink in her hand when company comes  
And now I get to give the tour

### Chorus

---
