

Geisha Girl (Re-Recorded)

[Hank Locklin](#)

Have you ever heard a love song that you didn't understand?
Where you met her in a teahouse on the island of Japan
And have you ever traveled over many thousand miles
To see a pretty geisha girl dressed in oriental style
They read it in the tea leaves and it's written in the sand
I found love by the heart full in a foreign distant land
Tell the home folks that I'm happy with someone that's true I know
I love a pretty geisha girl where the ocean breezes blow
I have stood and watched the sun rise from the waters of
the sea
And wondered how much beauty in this whole world can there be
My dreams are all worth dreaming and it makes my life worthwhile
To see my pretty geisha girl, dressed in oriental style
They read it in the tea leaves and it's written in the sand
I found love by the heart full in a foreign distant land
Tell the home folks that I'm happy with someone that's true I know
I love a pretty geisha girl where the ocean breezes blow
