

Hit the Lights (Remastered)

Metallica

No life 'til leather
Gonna kick some ass tonight
Got the metal madness
When our fans start screaming
It's right, well alright, yeah When we start to rock
We never will stop again Hit the lights
Hit the lights
Hit the lights Our fans are insane
Gonna blow this bitch away
Volume higher
Than anything today
The only way, yeah When we start to rock
We never will stop again Hit the lights
Hit the lights
Hit the lights With all our screaming
Gonna rip right through your brain
We got the lethal power
It's causing you sweet pain
Oh, sweet pain, yeah When we start to rock
We never will stop again Hit the lights
Hit the lights
Hit the lights
Hit the lights
