

# Big Easy

## Jamey Aebersold Play-A-Long

Mmmm mm mm

Yeah

Whoa

Ay-ay ay ay

[Verse]Somebody tell me

What's going wrong

I aint seen my baby

In far too long

Somebody please tell me

What's going wrong

They say them ladies broke

And my baby's gone

Listen

It's been a couple of days

And real dark nights

I miss my only child

I aint seen her since that night

She left home about eight

And never to return

Our body's floatin' -- Floatin' into that river

[Chorus]I gotta know

What's going wrong

I aint seen my baby

In far too long

Somebody please tell me

What's going wrong

I aint seen my baby

In far too long

[Verse]I been searching all around

Day and day and night

Somebody please tell me

I need to feel somebody

So many souls crying

How could it be?

'Cuz every step I take

I can't think

\_\_\_\_\_ (?)

[Chorus]Somebody tell me

What's going wrong  
I aint seen my baby  
In far too long  
Somebody please tell me  
What's going wrong  
I aint seen my baby  
In far too long  
Please somebody tell me  
What's going wrong  
I aint seen my baby  
In far too long  
Somebody please tell me  
What's going wrong  
I aint seen my baby  
In far too long  
Please somebody tell me  
Yeah-ah  
Please somebody tell me  
Yeah-ah  
Please somebody tell me  
Yeah-ah  
Please somebody tell me  
Please somebody tell me!  
{Somebody tell me}  
Please somebody tell me!  
Come on and tell me  
Please somebody tell me!  
Just tell me  
Please somebody tell me!  
I got to know  
Please somebody tell me!  
I know you know  
{Somebody tell me}  
Somebody tell me  
Oh my God  
Somebody Tell me  
Oh my God
