She's Living In a Dream World

Steve Forbert

You don't care real from not
Whoa, you're a dream believer
You fool yourself a lot
Whoa, such a self deceiverNo, I don't, yes, you do
No, I don't, yes, you do
No, I don't, yes, you do
No, I don't, yes, you doShe's living in a dream world
It's way up in her mind
It's the best place she can find
And she's high on thatShe's living in a dream world
And, no, don't bring her down
It's her fantastic crown
And a turquoise catLet her dream if her life's a number
Let her dream if it makes things fun
Let her dream if it don't encumber
AnyoneShe's living in a dream world
It's worlds away from us
Saw Streisand on the bus
And the Spruce Goose flyShe's living in a dream world
Knew Anastasia's niece
Met Jackie O in Greece
And saw Khrushchev cryLet her dream if her life's a number
Let her dream if it makes things fun
Let her dream if it don't encumber
AnyoneShe's living in a dream world
It's way up in her mind
It's the best place she can find
And she's high on thatShe's living in a dream world
And, no, don't bring her down
It's her fantastic crown
And a turquoiseYou don't care real from not
Whoa, you're a dream believer
You fool yourself a lot
Whoa, such a self deceiverNo, I don't, yes, you do
No, I don't, yeah, you do
No, I don't, yes, you do
No, I don't, yes, you do
