Wishing Well

Dizzy Mizz Lizzy

(Track 11 on "Dizzy Mizz Lizzy")She said it's beautiful
on the inside out
she said it's beautiful
with a silent shoutTake her by the hand
and you'll understand
I wish you well
she said it's beautiful
with a wishing wellShe said it's beautiful
in an angel's room
she said that contradiction
will bring you doomTake her by the hand
and you'll understand
I wish you well
she said it's beautiful
with a wishing wellLyrics by Tim Christensen
