

# Wishing Well

## Dizzy Mizz Lizzy

(Track 11 on "Dizzy Mizz Lizzy")  
She said it's beautiful  
on the inside out  
she said it's beautiful  
with a silent shout  
Take her by the hand  
and you'll understand  
I wish you well  
she said it's beautiful  
with a wishing well  
She said it's beautiful  
in an angel's room  
she said that contradiction  
will bring you doom  
Take her by the hand  
and you'll understand  
I wish you well  
she said it's beautiful  
with a wishing well  
Lyrics by Tim Christensen
