Delilah

Teddy Thompson

Well you and I were meant to be
And in the end I know you'll see
That we can never be just friends
Our only love will never end DelilahOh DelilahJust think about the way we were
A perfect set of his n' hers
Why does a man have to resist
A never ending happiness DelilahOh Oh Oh DelilahI got myself out of the way
My debt to you is never paid
I was a fool to let you go
I'm sorry and I love you so DelilahOh Oh Oh Oh Oh DelilahI think about you every day
And I'm sorry for the things I said
My perfect love my closest friendOh Oh Oh Oh Oh DelilahWell you and I were meant to be
And in the end I know you'll see
That we can walk around like friends
But soon this day will have to end DelilahOh Delilah
Delilah
were meant to be Delilah
mhm Oh Delilah
