

Boy, Oh Boy

Racey

The first time we touched,
I liked it so much
The first time we smiled,
my heart went wildAnd it was, boy oh boy
One night with you, and it's
Boy oh boy
What I could do with you
It was too much
Well oh boy the first time we touchedThe first time we danced
It was romance
I walked you home
And we were alone againBoy oh boy
One night with you, and it's
Boy oh boy
What I could do with you
It was romance
When oh boy the first time we dancedYou came closer and closer
You put your head on my shoulder
And when the night it was over
I walked you home
And we were alone again
