Gone In a Flash

Eva & The Heartmaker

I'm looking out you're looking in
You just don't see the beauty in anything!
You're wasting time it's such a shame
You don't understand is...
You know and everyone knows
That everything is changing every day!

Chorus:
The way that it is
It never be anything more than you give
It's turning ..the life that you give
It all depends on you
Things are gone in a flash so soon!
Gone in a flash so soon!
Things are gone in a flash so soon!

You spread this taste I disagree
You're so closed off you're talking so openly!
The worse you say ...
They're deprived of wait into empty within!
Cause you know and everyone knows
That everything is changing every day!

Chorus: (x2)
The way that it is
It never be anything more than you give
It's ...way the life that you give
It all depends on you
Things are gone in a flash so soon!
Gone in a flash so soon!
Things are gone in a flash so soon!
Things are gone in a flash so soon!
Gone in a flash so soon!
It all depends on you
Things are gone in a flash so soon!
