

# I Could Have Danced All Night

Julie Andrews & Phillipa Bevans

Eliza: Bed, bed I couldn't go to bed  
My head's too light to try to set it down  
Sleep, sleep I couldn't sleep tonight

Not for all the jewels in the crown I could have danced all night, I could have danced all night

And still have begged for more

I could have spread my wings and done a thousand things  
I've never done before I'll never know what made it so exciting

Why all at once my heart took flight

I only know when he began to dance with me

I could have danced, danced, danced all night Servants: It's after three now

Don't you agree now?

She ought to be in bed

I could have danced all night, I could have danced all night

And still have begged for more

I could have spread my wings and done a thousand things  
I've never done before I'll never know what made it so exciting

Why all at once my heart took flight

I only know when he began to dance with me

I could have danced, danced, danced all night Mrs. Pearce: I understand dear

It's all been grand dear

But now it's time to sleep I could have danced all night, I could have danced all night

And still have begged for more

I could have spread my wings and done a thousand things

I've never done before

I'll never know what made it so exciting

Why all at once my heart took flight

I only know when he began to dance with me

I could have danced, danced, danced all night
