

# No Brain No Pain

## Quincy Punx

I'm sick of reality, I don't know what to do  
I guess I'll just shoot some smack and maybe sniff some glue  
If you think you're going nuts from working hard all day  
Just relax and do some drugs 'cause you know what they say[Chorus:]  
No brain no pain [4x]Eating pills like they were candy, drinking lots of beer  
I took so much acid I'll be tripping for a year  
I'm gonna freebase babypowder, shoot up anti-freeze  
Do a line of gunpowder and hope I dont sneeze[Repeat Chorus]I like to mainline vodka and it goes straight to  
my head  
I like to smoke asbestos but I think I should be dead  
Marijauna's mellow and cocaine is pretty nice  
But you'll be taking Drano now if you take my advice[Repeat Chorus 2x]
