Never Again

Simple Jack

Coming back again , I got another way
Struggling Struggling, To live another day
You gotta new life, You live your own way
Hoping on top of hope, to end another way
So whats this purpose in life, You always talk about
How you making it right, whats the hot route
I cant give in, I wont give up
You keep taking from me, I'v bout had enough
Now when your coming for me and my family
Im more scared of disease, than your insanity
Don't look to me to show you a new way
You better find yourself, Go hit the highwayYOU BETTER WATCH OUT
YOU'LL THROW YOUR LIFE AWAY
YOUR LIVING IN THE CLOUDS
NOW FIND ANOTHER WAYSo when I'm looking for change I get the push back
Like I'm out of your range, your mind is where you lack
Everyone that you meet wants your head to roll
Your like a fucking disease, My guns your only cure
Never ask for my help, Never reach for my hand
Never beg for your life, Never ask for a chance
Never give up your hope, Never open your heart
Never come to my home, unless your looking to start
I'll never give you a chance we'll never reconnect
I'll never give you a chance we'll never reconnect
I'll never give you a chance we'll never reconnect
I'll never give you a chance we'll never reconnect
YOU BETTER WATCH OUT
YOU'LL THROW YOUR LIFE AWAY
YOUR LIVING IN THE CLOUDS
NOW FIND ANOTHER WAY
Never ask for my help, Never reach for my hand
Never beg for your life, Never ask for a chance
Never give up your hope, Never open your heart
Never come to my home, unless your looking to start
I'll never give you a chance we'll never reconnect
I'll never give you a chance we'll never reconnect
I'll never give you a chance we'll never reconnect
I'll never give you a chance we'll never reconnect
YOU BETTER WATCH OUT

YOU'LL THROW YOUR LIFE AWAY
YOUR LIVING IN THE CLOUDS
NOW FIND ANOTHER WAY
