Misty

NateWantsToBattle

I first saw you at Cerulean Gym, just out a Rocky Tunnel
It was the way you laugh and the way that you swim,
I knew that you'd be troubleYou made such a big splash, big crash
You'll be my tidal waveBreaks me down, like an avalanche, then we could dance in the rain.
Misty you're gonna miss me, when I'm gone, I'm gone forever.
Don't tease me.
My heart is freezing, cause you whipped up this icy weather.
I'm talking in my sleep.
This story won't Starmie,
and it feels Sheer Cold to me
But Misty you're gonna miss me, when I'm gone, gone forever.
And I'll never recover.
Now I knew that my chances were slim.
That much is plain to see.
But I found you standing with him and thought, it should have been me!
I had my chance and I blew it.
My frozen heart saw right through it.
I'm coming down like a crashing wakeMisty you're gonna miss me, when I'm gone, I'm gone forever.
Don't tease me.
My heart is freezing, cause you whipped up this icy weather.
I'm talking in my sleep.
This story won't Starmie, and it feels Sheer Cold to me.
But Misty you're gonna miss me, when I'm gone, gone forever.
And I'll never recover
From the burn, from when you scald my heart.
Chewing up things with ice and then you rip me apart.
Thunder wave, I can't move.
I'm paralyzed around you.
I got haxed and confused from the start. (Again? Great.)Misty you're gonna miss me, when I'm gone, I'm gone forever.
Don't tease me.
My heart is freezing, cause you whipped up this icy weather.
I'm talking in my sleep.
This story won't Starmie, and it feels Sheer Cold to me.
Misty you're gonna miss me, when I'm gone, gone forever and I'll never recover.
Gone, gone forever and I'll never recover.
Now I'm gone, gone forever, and I'll never recover.
Gone, gone forever.
And I'll never recover.
