

Happy

Meleni Smith

Ohhhh yeah
Yeah yeah
Landlord's knocking at my door
Cussing me out
Got laid off my job the night before
I can't feel how
I'm gonna fix tomorrow and
Yes today's still a mess
Can you tell me what's the point then?
It all seems meaningless
Wish that I could step away and breathe
This world's trying to swallow me
Clear away the clouds inside my head
Someone just tell me that it's okay now
What are you worrying about?
Got my dreams, got my life, got my love
Got my friends, got the sunshine above
Why am I making this hard on myself
When there's so many beautiful reasons I have to be happy
[Happy, happy? Happy]
Yeahhh(People lie) People lie
People hide (People hide)
People cry (People cry)
People fight and they don't know why (Yeah)
If fear is all that we should fear
Then what are we so afraid of?
Cause fear is only in our heads
So why do we let it control us?
Fear makes me forget how sweet the simple things in life really are
Fear makes me believe that I'm alone
Someone please say that it's okay now
What are you worrying about?
Got my dreams, got my life, got my love
Got my friends, got the sunshine above
Why am I making this hard on myself
When there's so many beautiful reasons I have to be happy
Any day I'll go mad thinking that
As long as it gets me the world wants to fight me
Preparing to battle an enemy I'm seeing
During my stressin' I'm blinded to the lessons
That could be of lesson if I'd be confessing
That the enemy who's trying to be

Is hiding inside of me, ohhhBut it's okay now (It's okay)
What am I worrying about?
Got my dreams, got my life, got my love
Got my friends, got the sunshine above
Why am I making this hard on myself
When there's so many beautiful reasons I have to be happyGive your ? girl
It's okay now
It's your life
It's your world
Give your ? girl
It's your life
It's your worldGot my dreams, got my life, got my love
Got my friends, got the sunshine above
Why am I making this hard on myself
When there's so many beautiful reasons I have to be happy
[Happy, happy? Happy]
