

# On The Regular (Joel Ford Extended Remix)

## Shamir

Hi, hi, howdy, howdy, hi, hi!  
While everyone is minus, you could call me multiply  
Just so you know, yes, yes, I'm that guy  
You could get five fingers and I'm not waving "hi"  
Guess I'm never-ending, you could call me pi  
But really, how long till the world realize  
Yes, yes I'm the best, fuck what you heard  
Anything less is obviously absurd  
Haters get the bird, more like an eagle  
This is my movie, stay tuned for the sequel  
Seems so wrong, seems so illegal  
Fellas in the back like a foul-ball free-throw  
Yep, yep, you know that I go  
This is me on the regular, so you know  
This is me on the regular, so you know  
Yep, yep, you know that I go  
This is me on the regular, so you know  
This is me on the regular, so you know  
I come with the tip, with the blow, with the boom  
And if you're in my way, there's nothing but doom  
Ain't got no time for you ratchet-ass goons  
And just settle down, listen to my tunes  
Ever since I was eight I was attached to the mic  
Wanted a guitar before I wanted a bike  
Had an Apple phone, fuck a Fisher-Price  
Never see the sun 'cause I'm up all night (What)  
Really, really? Really, really?  
You want to talk shit but you know that I am illy?  
Illy to the fullest, you can call me cancer  
No multiple choice, 'cause I'm the only answer  
Ain't got no wallet, only use rubber bands  
You know my chick is ratchet 'cause that's what make a man  
You wanna get at me, but you don't stand a chance  
And if you wanna fuck, yes you can take your chance  
Haters get the bird, more like an eagle  
This is my movie, stay tuned for the sequel  
Seems so wrong, seems so illegal  
Fellas in the back like a foul-ball free-throw  
Yep, yep, you know that I go  
This is me on the regular, so you know  
This is me on the regular, so you know  
Yep, yep, you know that I go  
This is me on the regular, so you know  
This is me on the regular, so you know  
Five-foot-ten, about a buck twenty  
Skinny as a rod but still wanna fuck with me  
Wise ass nigga, you'd think I was fifty  
But I take your fifty after you take this love see  
Yep, yep, you know that I go

This is me on the regular, so you know  
This is me on the regular, so you know Don't try me, I'm not a free sample  
Step to me and you will be handled  
See, that's my crown on the mantle  
And if you try to touch it, yes, there will be a scandal Don't try me, I'm not a free sample  
Step to me and you will be handled  
See, that's my crown on the mantle  
And if you try to touch it, yes, there will be a scandal This is the end, but you really feeling it  
Here's one more verse, 'cause I ain't no sleepy bitch  
Ain't got much to say 'cause it's in my piece  
Guess more hit the blunt and I ain't talking weed Yep, yep, you know that I go  
This is me on the regular, so you know  
This is me on the regular, so you know Yep, yep, you know that I go  
This is me on the regular, so you know  
This is me on the regular, so you know  
This is me on the regular, so you know
