

# Worthless

## Ministry

Hate yourself  
Self preservation  
Torture yourself  
Til the system cracks  
Despise yourself You're worthless  
You're worthless  
You're worthless  
You're worthless  
You're worthless  
You're worthless  
Means nothing to me Kill yourself  
That's what you wanted  
Pity yourself  
You're a righteous man  
Destroy yourself You're worthless  
You're worthless  
You're worthless  
You're worthless  
You're worthless  
You're worthless  
Means nothing to me Rape yourself  
Self-degradation  
Fuck yourself  
Till there's no way back  
Just fight yourself You're worthless  
You're worthless  
You're worthless  
You're worthless  
You're worthless  
You're worthless  
Means nothing to me
