

Winter Of My Life (Live In Berlin)

Blutengel

Once there was a time
once there was a time
I was a soldier in your war
Youve been my little, dark soldier
I had to fight just to survive
Your life was in my hands
For the strange love you gave to me
I gave you all my loveI hear a fairytale
a fairytale from the winter of my life
There was a time, so dark and cold
the time when you have been my love
so far away and so long ago
I have left you somewhere in time
I cant remember who you are
Now youre history to meCant you hear my eternal call?
I will not listen when you cry
Where are you now, my little boy?
Youll never find me in the night
Why did you leave me here alone?
I found a new salvation
I try to find you in every night
A part of you is still in my heart
