

Wack!

Mindless Self Indulgence

I wonder when its gonna stop being fun for me
I wonder when its gonna stop being fun for me
I wonder when its gonna stop being fun for me

Five fucking seconds from now

I really need to quit before it all turns to shit
I really need to quit before it all turns to shit
I really need to quit before it all turns to shit

Too fucking late for that

They said my first cd was my best one
And that other shit was dissapointing at best
Me likes watching it go down in flames

Not my fault

I blame it on the industry

Rock my hole

Well since you put it that a way

They were right

My shit is wack

Down to defy niggaz

And my double wide niggaz

My shit is wack

I wonder when i really stopped being good at this
I wonder when i really stopped being good at this
I wonder when i really stopped being good at this

Was I ever good at this

I know its shit but it is something i will not admit
I know its shit but it is something i will not admit
I know its shit but it is something i will not admit

Too fucking bad for you

Down to defy niggaz

And my double wide niggaz

My shit is wack

Down to defy niggaz

And my double wide niggaz

Me likes watching it go down in flames

Not my fault

I blame it on the industry

Rock my hole

Well since you put it that a way

They were right

My shit is wack
My shit is wack
Down to defy niggaz
And my double wide niggaz
My shit is wack
Down to defy niggaz
And my double wide niggaz
Suicide
