

Cold (Radio Mix) [a.k.a. Deep Freeze Mix]

Static-X

We kiss the stars
We writhe, we are
Your name, desire
Your flesh, we are Cold we're so cold, we are so
Cold we're so cold
Cold we're so cold, we are so
Cold we're so cold Your mouth, these words
Silence, it turns
Humming, we laugh
My head, falls back Cold we're so cold, we are so
Cold we're so cold
Cold we're so cold, we are so
Cold we're so cold
