The Tourist

Flickerstick

Tonight I'm going to leave with you
Do what you want to, but never do
I don't care how much you want me to stay
The tourist plays what you want him to play
Where will you go
Now that it's over
Now that you're older
Where will you go
Where will you go
Now that it's over
Now that you're older
Where will you go
I'm like the evil and you'll be the saint
You bring the pleasure
I'll bring the pain
For every promise, there's a price to pay
The tourist plays what you want him to play
Where will you go
Now that it's over

Now that you're older
Where will you go
Where will you go
Now that it's over
Now that you're older
Where will you go
Where will you go
I can do anything...
Where will you go
Now that it's over
Now that you're older
Where will you go
Where will you go
Now that it's over
Now that you're older
Where will you go
Where will you go?
