Shake What You Got

Lalaine

All my
Friends are here
This is
The party of the year
I'm not
Ever coming down
Smiling
Faces all around
[Hook:]Everybody
Shake whatcha got
Ready or not
No matter what
Do a little groove thing
Take that
Clock off of the wall
Time Square's

About to drop the ball
Come on
Jump up, scream out loud
Make some
Noise in this crowd
[Hook][Bridge:]All right
All night
Let's party like there's no tomorrow
All right
All night
No stopping now
[Hook]
