

# Kill the Sun

## Xandria

I am down at the water, my bare feet are numb  
And for aeons now nothing seems real  
Now it's hard to hold sight, through your soft eiderdown  
But I still got my hands on the wheel You can rain down on me  
But you can't darken the sun  
You can cast a spell on the moon  
But you can't kill the sun You have set my mind between worlds spinning 'round  
I'm a stranger in my universe  
But I see my sun and I know that it will  
Be forever shining on earth You can rain down on me  
But you can't darken the sun  
You can cast a spell on the moon  
But you can't kill the sun You can't kill the sun  
You can't kill the sun  
You can't kill the sun You can rain down on me  
But you can't darken the sun  
You can cast a spell on the moon  
But you can't kill the sun, kill the sun
