Fire, fire, fire, fire, fire, fire, fire

Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya

She got that fire, fire, fire, fire, fire, fire, fire, fire

Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-yaShe's the definition of a deadly superstition

She ain't got no opposition, little devil on a mission, eh

She's burning up  
She's burning up  
She's burning up

She's burning upIf you got an issue, go ahead, take a seat

This is independent baby girl don't miss a beat

Inferno on the dance floor, I'm shaking underneath

F-I-R-E to the core but the girl is so sweet

She's so sweet, sweet, sweet  
She's so sweet, sweet, sweet

She's so sweet, so sweetShe got that fire, fire, fire, fire, fire, fire, fire, fire

Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya

She got that fire, fire, fire, fire, fire, fire, fire, fire

Fi-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-ya-yaShe's the definition of a deadly superstition

She ain't got no opposition, little devil on a mission, eh

She's burning up

T-t-tall hotty totty, yes she's working those feet

Infer-inferno on the dance floor, I'm shaking underneath

F-I-R-E to the core but the girl is so sweet

She's so sweet, sweet, sweet

Paying more than your attention, little devil on a mission, eh

She's burning up I don't care about anything but you, you, you, you, you, you  
I don't care about anything but you, you, you, you, you, you
