

# It's All Over Now Baby Blue

## Grateful Dead

You must leave, now take what you need you think will last  
Whatever you wish to keep, you better grab it fast  
Yonder stands your orphan with his gun  
He's crying like a fire in the sun Look out, all those saints are coming through  
And it's all over now, baby blue  
And it's all over now, baby blue The highway is for gamblers, you better use your sense  
Take what you have gathered from coincidence  
The empty handed painter from your streets  
Is drawing crazy patterns on your sheets The carpet too is moving under you  
And it's all over now, baby blue All your seasick sailors, they are rowing home  
Your empty-handed armies are all going home  
Your lover just walked out your door  
He's taken all his blankets from your floor The sky too is moving over you  
And it's all over now, baby blue Leave your stepping stones behind, there's something calls for you  
Forget about the dead you've left, they will not follow you  
The vagabond who's rapping at your door  
Is standing in the clothes that you once wore Strike another match, go start anew  
And it's all over now, baby blue  
And it's all over now, baby blue  
And it's all over now, baby blue
