

# Garlands

## Cocteau Twins

Garlands evergreen  
Forget me not wreaths  
Chaplets see me drugged  
I could die in a rosary Die in a rosary  
Die in a rosary  
Die in a rosary  
Die in a rosary Well, with these brave garlands  
They never find out for her  
They never find I'm lying  
Well, with these etchings  
Cravings convince  
My cravings commence Garlands evergreen  
Forget me not wreaths  
Chaplets see me drugged  
I could die in a rosary Die in a rosary  
Die in a rosary  
Die in a rosary  
Die in a rosary Well, with these scarves scars  
Cravings convince  
My cravings commence  
Well, with these splints scars  
I'm all that to you  
I'm all that's who Garlands evergreen  
Forget me not wreaths  
Chaplets see me drugged  
I could die in a rosary Die in a rosary  
Die in a rosary  
Die in a rosary  
Die in a rosary Well, with these scarves scars  
Cravings convince  
My cravings commence  
Well, with these splints scars  
I'm all that to you  
I'm all that's who
