

# Chris Ryan Added Me On Facebook

## O Pioneers!!!

Let's pretend, that we are friends,

Just like we were back in high school. You can send me messages,  
that I'm sure that I can relate to, just like in highschool.

Every other week, you can call me.

Call me on the telephone.

We can talk about our misadventures, and our breakthroughs.

Just like in highschool.

Just like in highschool.

Just like in highschool. See I'm older now, and I don't give a damn, if I ever talk to you again.

I don't want to regress to,

that stupid piece of shit I was back in high school.

we back in high school.

back in high school

back in high school

So please leave me be, stop calling me on the telephone.

Asking me how I've been or what I've been up to.

I don't want to know how you've been, or what you've been up to.

And if I told you I was doing fine, would you believe it, I wouldn't.

Just like in high school.

Just like in high school.like back in high school

like back in high schoolSee I'm older now, and I don't give a damn, if I ever talk to you again.

I don't want to regress to,

that stupid piece of shit I was back in high school.

we back in high school.

back in high school.See I'm older now, growing up, growing out

See I'm older now

See I'm older now, and I don't give a damn, if I ever talk to you again.

I don't want to regress to,

that stupid piece of shit I was back in high school.

we back in high school.

back in high school

we back in high school.
