People, Places and Things

The Motels

Lonely that night he took a walk
He was looking real tough
He learned how to talk
From the right people
From the right peopleAnd strolling down by the magazine stand
You know Lucy looks good
She hold out her hand
Ah he's the right people
He's the right peopleChecking his reflection in a Chevrolet
He ponders if Lucy might go all the way
Sure she would
Now he's too good
Ah he's the right people
He's the right peopleSo takin' Lucy by the hand
They step behind the magazine stand
Ah it's the right place
It's the right placeSo touchin' her low
And holdin' her tight
They start making love
Right there in the street
Ah it's the right thing
It's the right thing(c)1980 Clean Sheets Music (BMI)
