No Longer

Phil Joel

Why would I not tell You the truth
When I see You're tired of the lying
To walk away, it's killing You
I tell myself what I know is not trueAs I read Your lips, as we parted ways
I say to myself never again will I be ashamedNo longer, no longer will I sit back
And watch the world slowly slip away
No longer, no longer do I have anything to lose
Worth more than what You've given meI strained my voice whispering truth
From the books I read and other people's views
At the end of the day what difference does it make?
It's time I took my mind off meNo longer, no longer will I sit back
And watch the world slowly slip away
No longer, no longer do I have anything to lose
Worth more than what You've given meWe have nothing to lose
I will be [Incomprehensible] Your nameI'm reaching up, You're reaching in
I'm reaching out
I'm reaching up, You're reaching in
I'm reaching outNo longer, no longer will I sit back
And watch the world slowly slip away
No longer, no longer do I have anything to lose
Worth more than what You've given me
