From This Moment On

Bryan White

(I do swear that I'll always be there
I'd give anything and everything and I will always care
Through weakness and strength
Happiness and sorrow
For better, for worse
I will love you with every beat of my heart)From this moment life has begun
From this moment you are the one
Right beside you is where I belong
From this moment onFrom this moment I have been blessed
I live only for your happiness
And for your love I'd give my last breath
From this moment onI give my hand to you with all my heart
Can't wait to live my life with you, can't wait to start
You and I will never be apart
My dreams came true because of youFrom this moment as long as I live
I will love you, I promise you this
There is nothing I wouldn't give
From this moment onYou're the reason I believe in love
And you're the answer to my prayers from up above
All we need is just the two of us
My dreams came true because of youFrom this moment as long as I live
I will love you, I promise you this
There is nothing I wouldn't give
From this moment
I will love you as long as I live
From this moment on
