

# Woman Woman

## Gary Puckett & The Union Gap

Woman oh woman  
Have you got cheating on your mind, on your mind  
Something's wrong between us that your laughter cannot hide  
And you're afraid to let your eyes meet mine  
And lately when I love you, I know you're not satisfied Woman oh woman  
Have you got cheating on your mind, on your mind  
I've seen the way men look at you, when they think I don't see  
And it hurts to have them think that you're that kind  
But it's knowing that you're looking back, that's really killing me Woman oh woman  
Have you got cheating on your mind, on your mind  
A woman wears a certain look when she is on the move  
And a man can always tell what's on her mind  
I hate to have to say it but that look's all over you Woman oh woman  
Have you got cheating on your mind  
Oh woman oh woman  
Have you got cheating on your mind
