Bluebird

Dawn Landes

Bluebird blue
flew by caught my eye
and I fell in love with blue
don't know what to do
sweet song lead me on
I just want to follow you
oh, blue
mmmWalked down to the edge of the wood
I know I shouldn't go
but it makes me feel so good
tall leaves cover me in
and you sing me, dee-de-dee
I feel so understoodfalling so deep
to a warm summer sleep
caught in a rhyme, losing track of the time
no direction to findBluebird blue
stay here I know you're near
I just wanna be wit you
don't know what to do
Your song is sweet I forget my feet
won't you let me dance with you
oh blue
mmmTake in your flight
on a warm summer night
fly back to me
I'll forgive every need
just a tangle in the weedsbluebird blue
flew by caught my eye
and I fell in love in you
oh, blue
mmm
