

Helpless

Metallica

I've gotta see you moving fast
See you come my way
See the dreams, I hope they last
Never fade away Gotta see the lights above
Make it loud tonight
Gotta set it all afire
Set it all alight See the flashing lights
Hear the thunder roar
I am gonna set you all alight
Gotta make it man
I ain't got a choice
Gotta fill this hall tonight Helpless, helpless
Helpless, helpless I don't know what I'm gonna do
Maybe not tonight
Gotta set you all afire
Gotta treat you right I can see the flashing lights
Lit before your love
Gotta hear the thunder roar
Coming from above See the flashing lights
Hear the thunder roar
I am gonna set you all alight
Gotta make it man
I ain't got a choice
Gotta fill this hall tonight Helpless, helpless
Helpless, helpless I can see the stars
But I can't see what's going on
Every night alone
I sing my song just for fun Only time will tell
If I'll make it myself someday
This stage is mine
Music is my destiny
Cannot squeeze the life from me, yeah I can see the stars
But I can't see what's going on
Every night alone
I sing my song just for fun Only time will tell
If I'll make it myself someday
This stage is mine
Music is my destiny
Cannot squeeze the life from me

Yeah, yeah, yeah
