

# Daylight in Your Eyes

## No Sweets

Wanna know you better  
wanna push you baby but never too far  
wanna show you heaven

wanna be like you just as strong as you areI wanna be daylight in your eyes

I wanna be sunlight only warmer  
I wanna be daylight in your eyes  
I wanna be loved only stronger  
I wanna be daylightWanna live forever  
wanna touch your hand and explode like a star  
wanna stand beside you

always be together wherever you areI wanna be daylight in your eyes

I wanna be sunlight only warmer  
I wanna be daylight in your eyes  
I wanna be loved only stronger  
I wanna be daylight in your eyes  
I wanna be sunlight only warmer  
I wanna be daylightWanna know you better  
wanna push you baby but never too far  
wanna live forever

wanna be like you just as weak as you are  
weak as you areI wanna be daylight in your eyes

I wanna be sunlight only warmer  
I wanna be daylight in your eyes  
I wanna be loved only stronger  
I wanna be daylight in your eyes  
I wanna be sunlight only warmer

I wanna be daylight(Daylight) I see it in your eyes  
(daylight) I wanna be  
just you and me  
for all eternity.....

(daylight in your eyes, in your eyes, in your eyes)I wanna be daylight in your eyes

I wanna be sunlight only warmer  
I wanna be daylight in your eyes  
I wanna be loved only stronger  
I wanna be daylight in your eyes  
I wanna be sunlight only warmer  
I wanna be daylightDaylight  
I see it in your eyes
