

Breakin' (Redanka vocal mix)

The Music

Going away there's nothing to stay for
Everything we do is some disease
Love is hidden by your fear
So don't make the mistake
Can't sit down
And I can't stand up
'cause if I do I know I'm gonna break
I can't stay in, and I can't go out
'cause if I do I know I'm gonna break
Uh-oh-uh-oh uh-oh yeah
Uh-oh-uh-oh uh-oh ohhh
Uh-oh-uh-oh uh-oh uh-oh
'cause you know I'm gonna break
Uh-oh-uh-oh uh-oh yeah
Uh-oh-uh-oh uh-oh ohhh
Uh-oh-uh-oh uh-oh uh-oh
Maybe the wait
Maybe the weight
Is too much for me to hold
Love is something
Nothing ever feels this way
It's time to come back
Can't sit down, and I can't stand up
'cause if I do I know I'm gonna break
I can't stay in, and I can't go out
'cause if I do I know I'm gonna break
Can't sit down, and I can't stand up
'cause if I do I know I'm gonna break
I can't stay in, and I can't go out
'cause if I do I know I'm gonna break
Uh-oh-uh-oh uh-oh yeah
Uh-oh-uh-oh uh-oh ohhh
Uh-oh-uh-oh uh-oh uh-oh
'cause you know I'm gonna break
Uh-oh-uh-oh uh-oh yeah
Uh-oh-uh-oh uh-oh ohhh
Uh-oh-uh-oh uh-oh uh-oh
Can't sit down, and I can't stand up
'cause if I do I know I'm gonna break

I can't stay in, and I can't go out
'cause if I do I know I'm gonna break
Uh-oh-uh-oh uh-oh yeah
Uh-oh-uh-oh uh-oh ohhh
Uh-oh-uh-oh uh-oh uh-oh
'cause you know I'm gonna
Can't sit down, and I can't stand up
'cause if I do I know I'm gonna break
I can't stay in, and I can't go out
'cause if I do I know I'm gonna break
