

# Rule the World

## Take That

You light the skies up above me  
A star so bright, you blind me, yeah, yeah  
Don't close your eyes  
Don't fade away, don't fade away, oh-oh

Yeah, you and me, we can ride on a star  
If you stay with me, girl, we can rule the world  
Yeah, you and me, we can light up the sky  
If you stay by my side, we can rule the world

If walls break down, I will comfort you  
If angels cry, oh, I'll be there for you  
You've saved my soul  
Don't leave me now, don't leave me now, oh-oh

Yeah, you and me, we can ride on a star  
If you stay with me, girl, we can rule the world  
Yeah, you and me, we can light up the sky  
If you stay by my side, we can rule the world

Wooh-oooh

All the stars are coming out tonight  
They're lighting up the sky tonight for you, for you  
All the stars are coming out tonight  
They're lighting up the sky tonight for you, for you, oh-oh

Yeah, you and me, we can ride on a star  
If you stay with me, girl, we can rule the world  
Yeah, you and me, we can light up the sky  
If you stay by my side, we can rule the world

All the stars are coming out tonight  
They're lighting up the sky tonight for you, for you  
All the stars are coming out tonight  
They're lighting up the sky tonight for you, for you

All the stars are coming out tonight  
They're lighting up the sky tonight for you, for you  
All the stars are coming out tonight

They're lighting up the sky tonight for you, for you-ooo
