It Don't Matter

Reba McEntire

We've got a nice little house on a quiet little street
But it don't matter
A two garage with a new Cherokee
But it don't matter[Chorus]
Cause we don't ever seem to talk anymore
And you don't hold me like you did before
We've got everything we wanted and more
But now I know and now I see
Nothing matters if you don't love meWe've given twelve precious years of our lives
But it don't matter
And I guess for awhile we were both satisfied
But it don't matter
It wouldn't be easy to walk out tonight
But it don't matter
And I know I would miss you if you said goodbye
But it don't matter
