

# Daddy (feat. Shorty K)

## Sir Michael Rocks

I can show you boys how to get a brick  
But nigga, I'm not your daddy  
She said her phone off and need the bill paid  
But bitch, I'm not your daddy I can hold your hand and show you the way  
But nigga, I'm not your daddy  
She said she hates me  
But she never met me I'm a retired nigga  
These niggaz said I don't want no soakin' on  
You don't know how to fight  
The niggaz thought they have me  
They call me big poppa  
But bitch I'm not your daddy  
I said circle, circle that  
Cops running around the block  
Lookin' for a victim  
Prick them like a driver  
Power stone goin' all black  
6 phone gigglin' calls  
With 6 years I struggle  
And you won't get the title, man I'm tired to flex on you all  
I'm tired being misunderstood  
But we can die of knives I can show you boys how to get a brick  
But nigga, I'm not your daddy  
She said her phone off and need the bill paid  
But bitch, I'm not your daddy  
I can hold your hand and show you the way  
But nigga, I'm not your daddy  
She said she hates me  
But she never met me I'm a retired nigga  
These niggaz said I don't want no soakin' on  
You don't know how to fight  
The niggaz thought they have me  
They call me big poppa  
But bitch I'm not your daddy I ain't got no rings  
But these bitches call me.  
They be yellin' at me  
These bitches be quitting a lot  
I be learning from them  
Thinkin' I'm your wife

And I'm right here and you love me  
I've been a realest nigga  
And this is why momma had me  
I don't fuck about this  
Shit my laugh and Calli  
I forgot about this  
And my bitches so bitches  
I'll be flexin' no niggaz  
Check my Instagram pictures  
It's only closed zones and figuresHow can you say I'm that nigga?  
How do I start in your life?  
I must be doing it rightI can show you boys how to get a brick  
But nigga, I'm not your daddy  
She said her phone off and need the bill paid  
But bitch, I'm not your daddyI can hold your hand and show you the way  
But nigga, I'm not your daddy  
She said she hates me  
But she never met meI'm a retired nigga  
These niggaz said I don't want no soakin' on  
You don't know how to fight  
The niggaz though they have me  
They call me big poppa  
But bitch I'm not your daddy
