

# Dazed And Confused (feat. Travie McCoy)

Jake Miller

Got me feeling like  
Yeah! Look  
Girl you got me faded  
Like I down the whole bottle  
Yeah, you walked in the room  
Looking like a Victoria Secret model  
Throw your number in my iPhone  
And then let me take you home  
I swear I think I fell in love  
Either that or my drink's too strong Took a walk on the clouds better sleep on the moon  
And I'm not coming down, now that I'm with you  
If we ever wake up, don't know what I would do  
Are we really in love or dazed and confused You got me feeling like  
Yeah You taking selfies with your girls  
And dancing with your ass out  
The way you drop it down low  
I swear you got me bout to pass out  
Feeling tipsy, every time you kiss me  
Girl you got me high, yeah this love we got is trippy  
But it's all good, we just dazed and confused  
Wake up in the morning, what the hell do we do? Took a walk on the clouds, better sleep on the moon  
And I'm not coming down, now that I'm with you  
If we ever wake up, don't know what I would do  
Are we really in love or dazed and confused Got me feeling like Yeah  
It's Travie (okay) Alright, here's how it's going down  
You, me and your home girl  
Can get a little freaky in my hotel  
Just don't let me catch you being sneaky with your phone girl  
That's a quick way to get dismissed  
Now I hope we on the same page  
But that's what I love about college chicks  
I keep getting older and they stay the same age  
Now turn around and let me get a pick  
Good lord, that's a miracle  
But don't get too geek, feel them sheets  
That's not boyfriend material  
She got a body like mhm,  
And a face like yeah  
I got one head saying mhm,

And other one saying yeah! Took a walk on the clouds, better sleep on the moon  
And I'm not coming down, now that I'm with you  
If we ever wake up, don't know what I would do  
Are we really in love or dazed and confused You got me feeling like  
Dazed and confused You got me feeling like
