

Cinema

The Tributers

I could watch you for a lifetime, you're my favorite movie

 A thousand endings, you mean everything to me

 I never know what's coming, forever fascinated

Hope you don't stop running, to me 'cause I'll always be waiting

 You are a cinema, I could watch you forever

 Action, thriller, I could watch you forever

 You are a cinema, a Hollywood treasure

 Love you just the way you are

 A cinema, a cinema,

 [X3]Get up get down,

 Lose that sound,

 My DJ gonna break it down

 Get up get down,

 Lose that sound,

 Drop the bass

Stars spell out your name, like in a science-fiction drama

 Romance growing, like a flower in the summer

 You always keep me guessing, forever my wonderful

Hope you start undressing, all my dreams and take me under

 You are a cinema, I could watch you forever

 Action, thriller, I could watch you forever

 You are a cinema, a Hollywood treasure

 Love you just the way you are

 A cinema, a cinema

 [X3]Get up get down,

 Lose that sound,

 My DJ gonna break it down

 Get up get down,

 Lose that sound,

 Drop the motion

 You are a cinema, I could watch you forever

 Action, thriller, I could watch you forever

 You are my cinema, a Hollywood treasure

 Love you just the way you are

 A cinema, a cinema, a cinema

A cinema, a cinema, a cinema, a cinema, a cinema, a cinema, a cinema....
