Wonderful

The Beta Band

She's so wonderful
She's so wonderful
She's so wonderful
She's so wonderful

In time you realize
It's all for you, I do
In time you realize
It's all for you, I do.
In time you realize

She's so wonderful
She's so wonderful
She's so wonderful
She's so wonderful

And if I see her tonight
Will I leave her alone now
And if you see her tonight
Will you tell her I love her

She's so wonderful
She's so wonderful
She's so wonderful
She's so wonderful

In time you realize
It's all for you, I do
In time you realize
It's all for you, I do
In time you realize
It's all for you, I do
In time you realize
It's all for you, I do
In time you realize
She's so wonderful
