

Kid

Everything But the Girl

Kid, what changed your mood?
You've gone all sad so I feel sad too
I think I know
Some things we'll never outgrow You think it's wrong
I can tell you do
How can I explain
When you don't want me to? Kid, my only kid
You look so small, you've gone so quiet
I know, you know
What I'm about, I won't deny it But you forgive
What you don't understand
You've turned your head
You've dropped my hand All my sorrows, all my blues
All my sorrows Shut the light, go away
Full of grace, cover your face Kid, gracious kid, your eyes are blue
But you won't cry
I know angry tears are too dear
You won't let them flow
