now hear his lonsome cry barrelin ' down that track out of controll his soul dressed in black  
sounds to every man thats broken the chain

on his own so early on too young for such a task took the bull by the horn sometime that bull was mean and  
only at it stroking on that runaway trainrolling rolling rolling like a runaway train

hmmmmmmmmmmmmmm i dont care if i do da domarried young and daddy soon his life was right track something  
rummled in his soul that he had lack he had to to chase that melody that fueled a childhood dream there ain't
