

# That's How I Go (Feat. Mario & Lil Jon)

## Baby Bash

I let the roof drop  
Drippin, with super,  
In my new car  
And I'm glad that she love to have me  
I'm like oh lord  
From Jamaica to Puerto Rico down to Utah  
From Miami to California they some cool brahs  
Haters tell me they can't be mad at my new job  
We be goin hard in the, like a hoop star  
It's finger li-lickin good like a full course  
Give it to ya girl don't have to tell you baby  
You start if you like it you know I love it  
Baby, 2 more  
And the smell of that new Chanel girl, it never fail  
We can fly away or just drive  
Baby, heads or tails?  
And oh yeah, and oh yeah Said I met a lot of ladies and I travel the world  
Sometimes I party like crazy showin' love to the girls  
That's how I go, that's how I go girl, that's how I go girl  
I go and go, that's how I go girl, that's how I go girl  
And then my pockets look - with plenty to give  
Somebody 'bout to have my baby and the key to my crib  
That's how I go, that's how I go girl, that's how I go girl  
I go and go, that's how I go girl, that's how I go girl I said man girl you think it's 5 o'clock traffic on that 101  
Maybe later on tonight me and you can have ourselves a 1 on 1  
I swear I've seen you somewhere else  
Maybe it was on a movie screen  
Maybe it was on a television  
Or on the cover of a magazine  
I know and I don't care  
Let me see your underwear  
Let me see how thick you is baby  
Let me see what's under there  
Everybody know we go go go go oh so fast when I'm on my grind  
But I can't lie when I see that ass  
I slow it down and take my time Said I met a lot of ladies and I travel the world  
Sometimes I party like crazy showin' love to the girls  
That's how I go, that's how I go girl, that's how I go girl  
I go and go, that's how I go girl, that's how I go girl

And then my pockets look, with plenty to give  
Somebody 'bout to have my baby and the key to my crib  
That's how I go, that's how I go girl, that's how I go girl  
I go and go, that's how I go girl, that's how I go girl Girl I gotta red eye flight, sound check, another photo shoot  
Girl I gotta go I gotta do another interview  
Studio tonight have a banger you could listen to  
Baby you ain't even gotta ask  
You know I'm missin' you  
The money keep comin' girl, cause we keep goin'  
Yeah we go and go and go and go and go and go and keep goin'  
Yeah the money keep comin' girl, cause we keep goin'  
Yeah we go and go and go and go and go and go and keep goin' Said I met a lot of ladies and I travel the world  
Sometimes I party like crazy showin' love to the girls  
That's how I go, that's how I go girl, that's how I go girl  
I go and go, that's how I go girl, that's how I go girl  
And then my pockets look, with plenty to give  
Somebody 'bout to have my baby and the key to my crib  
That's how I go, that's how I go girl, that's how I go girl  
I go and go, that's how I go girl, that's how I go girl That's how we go.
