

El Sueno (Dreaming)

Linda Ronstadt

El que me oiga mi cantar
Dira que estoy muy contento
Yo canto por divagar
Esta pasi3n que yo siento
Y que no puedo olvidarMe acuesto pensando en ti
Y en el sueno estas conmigo
Y me siento tan feliz
Al sonar que estoy contigoHubo noche que sonÃ©
Que tu boquita besaba
Y luego que despertÃ©
Fui viendo que era la almohada
La que de besos colmeYa me canse de sonar
El sueno me hace sufrir
Quisiera que al despertar
Mi sueno fuera verdad
Para dejar de sufrirHe that listens to my song
Must think that I'm very happy
I sing to sooth
This passion I feel
That I can't forgetI go to sleep thinking of you
In my dreams you are with me
And I feel so happy
When I dream I'm with youThere was a night when I dreamed
That I kissed your little mouth
But when I awoke
I realized it was just the pillow
That I had so madly kissedI go to sleep thinking of you
I'm tired of dreaming
This dream you cause me to suffer
I wish that when I awoke
My dreams would all come true
So that I could quit suffering
