A promise

A Beautiful Silence

You said "Something will change"
We were all dressed up
Somewhere to go, no sign of rain
But something will change, you promisedYou said "Nothing will change"
We were almost near, almost far
Down came the rain
But nothing will change, you promisedA promise
A promise
A promiseIt's exactly the same
You said "It's always the same
But I'll make it change
Into something the same, I promise"A promise
A promise
A promiseLight on the waves
Light on the waves
Light on the waves
Light on the wavesA promise
A promise
A promise
A promise(Light on the water)
A promise
(We could sail on forever)
A promise
(There's light on the water)
A promise
(We could sail on forever)
A promise
(There's light on the water)
A promise
