Most Precarious

Blues Traveler

Don't you give up, don't allow disaster

Don't you give up, don't you let her win

We're talking about a forever after

Don't you give up, don't you dare give in

Don't you give up, don't you dare give inDoesn't it seem most precarious?

Doesn't it seem such a chance to take?

Doesn't it seem most precarious?

Why does it feel like a big mistake? Please understand and hear what I'm saying

The time is now and you don't have long

She could be oceans away tomorrow

So soon your chance will come and gone

So soon your chance will come and goneDoesn't it seem most precarious?

Doesn't it seem such a chance to take?

Doesn't it seem most precarious?

Why does it feel like a big mistake? The tight-wires strung and you're out in the middle

All eyes upon you, no net below

Inches to go and you're almost home free

Feel the wires swaying to and fro

Feel the wires swaying to and froDoesn't it seem most precarious?

Doesn't it seem such a chance to take?

Doesn't it seem most precarious?

Why does it feel like it would be a damn and I'm ashame?

Be forever if it meant that day, how stoically I exclaim

As she turns from me and walks awayThe light in her eyes explanation escapes you

Longing to please and not feel all alone

And she doesn't know it but really she loves you

Some day so soon you're gonna make it home

Some day so soon you're gonna make it homeDoesn't it seem most precarious?

Doesn't it seem such a chance to take?

Doesn't it seem most precarious?

Why does it feel like a big mistake? Doesn't it seem most precarious?

Doesn't it seem such a chance to take?

Doesn't it seem most precarious?

Why does it feel like a big mistake?
