Run Baby Run

The Primitives

Love can be so strange
Don't it amaze you?
Every time you give yourself away
It comes back to haunt youLove's an elusive charm and it can be painful
To understand this crazy world
But you're not gonna crack
No, you're never gonna crackRun, my baby, run, my baby, run
Run from the noise of the street and the loaded gun
Too late for solutions to solve in the setting sun
So run, my baby, run, my baby, runLife can be so cruel
Don't it astound you?
So when nothing seems too certain or safe
Let it burn through youYou can keep it pure on the inside
And you know what you believe to be right
So you're not gonna crack
No, you're never gonna crackRun, my baby, run, my baby, run
Run from the noise of the street and the loaded gun
Too late for solutions to solve in the setting sun
So run, my baby, run, my baby, runFind out who you are before you regret it
Because life is so short, there's no time to waste itSo run, my baby, run, my baby, run
Run from the noise of the street and the loaded gun
Too late for solutions to solve in the setting sun
So run, my baby, run, my baby, runRun, my baby, run, my baby, run
Run, my baby, run, my baby, run
Run, my baby, run, my baby, run
Run, my baby, run, my baby, run
